President's Message

When we joined Australian Defence, the first thing we learned, well it wasn't how to stand up straight, or how to salute or how to march; the very first thing we learned was:

LOOK AFTER YOUR MATES.

That's what we and our forebears have been doing in Beaudesert since 1918 and we have every intention of continuing to so do into the future. But we can't continue without new blood. Yes, I'm pleased with the number of new young members we are gaining but we must keep our organisation meaningful, welcoming, and fit for purpose.

Remembrance Day was exceptionally well attended, and I was proud of the number of Sub Branch members who showed their support.

I had the honour to be invited to attend a Soldiers Dinner at Greenbank Army Base and am delighted to report that our Sub Branch has formed a relationship with 11 CSSB (Combined Service Support Battalion). We look forward to having 11 CSSB join us at future Ceremonies. I also represented our Sub Branch at the Australian American Association Thanksgiving celebration at The United Services Club in Brisbane. I have represented us at both State and District levels this year and by Board direction voted to reorganise State Board representation. I believe that this was a positive move for all members. I have attended most functions held by our 'NASHOS' and have the utmost respect for the way they continue with the concept of 'Looking after your mates'.

PAWS have been 'flat out' recently and sincere thanks to Steve, Jay and Chris for their untiring duty.

We are negotiating with Club Beaudesert on the terms of a new lease based on pre COVID terms and after significantly reducing their rent during COVID we will return to a fair return on our asset. Your Board has recently upgraded Fire Security and replaced a Hot Water System at the club.

2022 has been a trying time with the Sub Branch building roof having been unsatisfactorily replaced and still leaking; (Body Corporate is trying its best!). A recent burst water pipe in an adjacent unit caused significant damage to our office and necessitated commercial cleaning and purchase of WH&S air control equipment. Nearly an annus horribilus.

HOWEVER! The plans for the erection for the Lysaght Shed behind the Museum are well on the way and on completion will give us a fit for purpose venue where interaction between members will be so much easier.

So many people to thank at the end of the year, you know who you are. Dianne, Joanne H, Janice, Jackie, and so many others; NO! I didn't forget, Joanne our Secretary, thank you so much for putting up with my inadequacy and keeping the ship afloat.

To all involved in our Sub Branch, Happy Christmas and a brilliant New Year,

Regards, to all.

Jon Forbe-Smith
President

PAWS/Wellbeing

This past year has been very busy following the Covid19 crisis and the need for personal hygiene practices to maintain an efficient service for YOU. Our advocates are currently numbering 3 as our 4th, Samanth Morgan had personal items to attend to, yet her valued contributions to PAWS are ongoing as she regularly engages with PAWS to ensure her past clients are assisted and reports processed. It's always great to have backup support which is valued highly.

2022 has seen us with over 50 clients, our highest rate to date. Several were repeat clients seeking guidance on their respective claims, the majority were new seeking further advice and direction. The DVA has as previously noted have been an absolute bonus for us all and have not wavered in their support. So, if you hear 'bad gossip' about DVA, put it aside as we daily deal with delegates, administration and others in the department who go out of their way to assist us and our client base.

The time taken by the advocates in processing claims ranges from interview time of around 1 hour then formally processing and engaging the DVA Delegates for each claim and or enquiry. This is usually around 5-15 hours per claim or in several cases anything up to 120 hours. A recent dissection of times spent processing an individual claim ranged from 2 hours for interview and processing of basic client information up to 120 hours dependent on reports required and processing with DVA delegates. Regularly the time for DVA to process and proceed can be up to 18 months due to the infamous backlog of claims and enquiries from Veteran and families. Spare a thought for the advocates in PAWS as the three of them regularly extend their volunteer hours for our client base. If you have a claim, enquiry, or are just up for a chat with the advocates about your service time and if you are able to have a claim processed, then drop in as you won't be disappointed.

Peter Higgins again has gone the extra yards in assisting our Vietnam Veterans seeking counsel re their claims, health matters and of course dealings with DVA and other government agencies. Our thanks go to Peter who is always available for the veteran and family.

Jay Collins, Chris Smith and Steve Monteath are our registered, ATDP qualified, approved and VITA insured advocates. Thanks to them for their efforts and

availability for our Veteran community, lets hope 2023 is a year of good tiding for OURS and their respective engagement with PAWS, the Sub Branch and Department of Veterans' Affairs. RSL Qld Veterans Services has been very helpful and assisting us with Veterans who require assistance and the homeless in partnership with the Salvation Army. • **RSL Qld Veteran Services** – Ph: 134 RSL (134 775) (8.30am-4.30pm, Monday-Friday)

Women's Auxiliary

The Beaudesert RSL Women's Auxiliary's Cent Auction held in November was a great success and many attendees on the day, with many raffle prizes drawn. Christmas Cards have been collected from all the local schools who participated and delivered to local Aged Care and Nursing home residents, as the feedback from last year was overwhelming and heart warming to hear they were greatly appreciated. We have a new member and we welcome Jen with open arms. Having the extra assistance lightens the load a bit. We would love to see more ladies who would like to assist in any way, please come into Sub Branch for more info and we meet each month for social get together and lunch.

Information for Members

We are urgently seeking more volunteer drivers to continue this service for our Community. If any Members are interested in hearing more about this program, please feel free to call the office to speak with Dianne or Joanne for further information. The office number is **Ph: 5541 3720** and we are available from at least 9am to 1pm each week day. As a footnote: the drivers who do volunteer their time find their role very satisfying. It is a really valuable use of their time and they make great connections with other drivers and the patients they transport. It also gives a great insight into the Queensland Health services.

BEAUDESERT SOCIAL GOLF CLUB

There is no requirement to be a member of the Beauesert Social Golf Club, however, they would love to see more ex-Military and Veterans in their ranks. It is a great day with 18 holes of Golf, Morning Tea, BBQ lunch and prizes in excess of \$100. They have players of all skill levels, but the main aim of the day is to have fun, enjoy yourself and meet some likeminded people. They have our own Handicap System so everyone regardless of ability has a fair chance to win Prizes. Why not come along and have a game?? For more information contact the Beauesert Golf Club.

DVA NEWS

Improvements to Incapacity claims in MyService

24 November 2022

MyService continues to improve and expand, making it easier for you to do your DVA business online. If you receive an Incapacity Payment or are applying for it, some new features in MyService will make it simpler for you.

MyService already enables veterans to submit a claim for Incapacity Payment. Information and supporting documents required to prepare your claim are explained in greater detail. You will have the option to let DVA know if you'd like to receive interim payments as part of the new improvements.

When you've submitted your claim, MyService will display a claim ID and claim status against your claim. This feature only applies if the Incapacity claim has been submitted using MyService.

New features are also coming to allow you to upload supporting documents for your incapacity claim after your claim has been submitted. You'll be able to advise DVA online of any changes to your circumstances that may affect your claim.

What if I started my claim before these new features were released?

If you started your claim before these new features were released, your claim will still appear on your Claims page in MyService with an "Incomplete" status. You can resume your claim as usual to complete and submit.

You may notice changes to some of the questions in your claim so we recommend that you review the responses you've provided just as you would before these new features became available. You'll need to respond to any remaining questions in order to finalise and submit your claim.

Incapacity Payments annual review of circumstances

If you receive an Incapacity Payment and you have a MyService account, you can now complete your Annual Review of Circumstances online using MyService. Completing your review online gives you greater flexibility to provide DVA with more information to help you manage your Incapacity Payments. It's faster, and you'll always have a record of your review in MyService.

When your review date is approaching, if you have a MyService account we'll send you a notification in your myGov inbox 28 days before your review is due to be completed. To complete your review online, click on the link in the message in your myGov inbox and you'll be taken straight to your MyService account. In MyService, the task panel on your home page will indicate that you have a task to be completed. If you happen to forget to complete your review, DVA send you a reminder notification in your myGov inbox 7 days before the task due date.

If you receive a notification from DVA and you'd prefer to complete your review manually, you can download the form D1352 Annual Review of circumstances from the DVA website or call DVA on 1800 VETERAN (1800 838 372) and we can post you one. When you've completed the form, send it to DVA by post or by email using the addresses on the form.

If you don't have a MyService account DVA still send your Annual Review of Circumstances form in the post or by email.

If you need help with your claim or annual review, call DVA on 1800 VETERAN (1800 838 372) and ask for "Incapacity Payments".

Veterans and partners to be able to earn more

1 December 2022

Veterans and partners who receive the Service Pension, Income Support Supplement or Age Pension and are entitled to the Work Bonus will be able to earn more income from employment before it affects their pension entitlements.

From 1 December 2022, pensioners who are eligible for the Work Bonus will receive a temporary one-off increase of \$4,000 to their Work Bonus Bank balance until 31 December 2023. The maximum allowed Work Bonus Bank balance will also temporarily increase from \$7,800 to \$11,800 until 31 December 2023.

These changes are intended to improve the financial wellbeing and self-sufficiency of our veterans and families.

More information about the Work Bonus is available on the [DVA website](#).

The service will be closed on the weekends as well as 26 and 27 December and 2 January. If transport is required on these days and has not been pre-booked, you can pay for the travel and seek reimbursement when we re-open. Or, if you are an existing MyService user, you can make [new transport bookings](#) and review existing ones online ([login.my.gov.au](#)).

For travel in an emergency always dial 000.

VAN offices, General Enquiries and Open Arms centres

DVA offices and shopfronts, and general enquiry services will be closed for the Christmas / New Year period from 24 December 2022 to Monday 2 January 2023 inclusive.

DVA's General Enquiries phone line and email services, DVA's Veterans' Access Network (VAN) offices booked interview service and Open Arms – Veterans & Families Counselling centres resume on Tuesday, 3 January 2023.

Defence Service Homes Insurance

DSH Insurance and its advisors will be available for support with any insurance needs outside of the national public holidays over the Christmas period.

For enquiries, or help with a policy or claim, phone 1300 552 662.

Outside of core business hours, and during national public holidays, calls will be diverted to DSH Insurance's after-hours service partner, 24 hours a day and 7 days a week.

For DSHI's automated payment service, phone 1300 304 989 for the cost of a local call. This service is also available 24 hours, 7 days a week.

Hospital admissions

Doctors can admit DVA patients into hospital over the holiday period and request retrospective approval for the admission, where required, when DVA resumes full services.

Pharmaceutical approvals

There will be no reduction in services across the Christmas/New Year period. Providers seeking prior approval for pharmaceuticals can call the Veterans' Affairs Pharmaceutical Advisory Centre (VAPAC) 24 hours a day on 1800 552 580.

Pension payments – from Christmas to late January

Pension paydays are not affected over this period. So the last payment in 2022 will be on Thursday 29 December 2022. The first payment of the New Year will be Thursday 12 January 2023.

Pension payday for 26 January 2023 will land on Australia Day, which is a public holiday. Therefore, pension payments that would normally be paid on that day will instead be paid into bank accounts the previous day – Wednesday 25 January 2023.

Incapacity payments

Incapacity payments will be paid as normal on Wednesday 21 December 2022. The next payment after this is due on the Wednesday 4 January 2023.

However, because of differing arrangements by various banks during the holiday period, which are beyond DVA's control, the precise day of the week you receive this payment may differ from usual. You may wish to make arrangements to ensure you have enough funds to cover any direct deposit payments.

Client Support Program

The Client Support Program (CSP) provides case management services tailored to the individual needs of clients and their families. This program will be affected by the DVA Christmas reduced activity arrangements. Staff will not be available from 24 December to 2 January 2023 inclusive.

CSP case managers will contact their clients prior to this period to discuss support arrangements during and make sure they're aware of the assistance available from Open Arms.

Veteran Support Officers

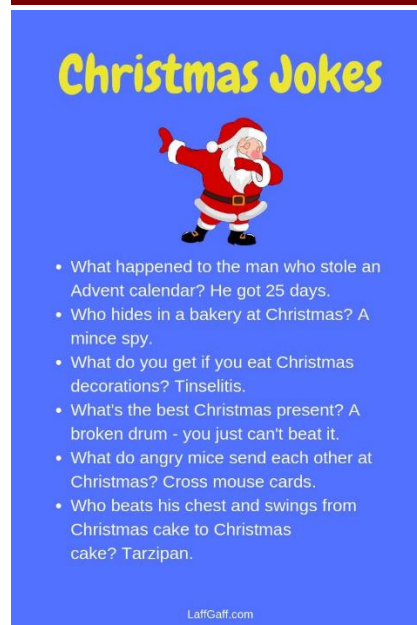

The Veteran Support Officers (VSO) provide personalised DVA services to ADF members on Defence bases. VSOs will continue to provide support to ADF members during Defence's Reduced Tempo Period over December –

January. Support will mostly be delivered remotely via telephone or email.

However, staff will not be available from 24 December to 2 January 2023 inclusive.

ADF members can continue to book VSO appointments throughout Defence's Reduced Tempo Period and DVA's reduced activity period by emailing vso@dva.gov.au

Message from the Secretary

I wish to personally thank all volunteers who have dedicated their time and effort to the Sub Branch and for all our members. Without volunteers, the Sub Branch would not exist.

The Sub Branch has made many changes over the last three years with the new Board members and focusing on our core objective and getting back to basics being Welfare for our veterans, we have had some challenging times in the last couple years with Sub Branch business and hoping next year most of the business end will be completed.

Ensuring to keep with the Sub Branch core objectives for Welfare of our members and veterans in the community is a priority and to abide by ACNC Charitable regulations.

Our main focus next year will be preparations for a new accessible Sub Branch office and Welfare Hub for our members and families now and into the future. A drop in communal area accessible for veterans to come in and have coffee and tea, utilise the library and chat to our volunteers, a welfare hub for advocacy, BBQ area to invite veterans and families for social BBQ days and a chance to socialise with other veterans.

The Sub Branch Advocates have been very busy assisting veterans with their claims. Thank you for your dedication and the hours also working from home.

The Patient Transport drivers, thank you for your kindness, caring and patience. The days can be long and tiring, but you continually each week make yourself available to transport our community to their specialist appointments. You truly are appreciated by one and all.

Museum Volunteers, Phil, Barry, Rodney, John, Victoria and Kevin thank you for opening Harry's Haunt each week allowing people to visit and enjoy the displays of memorabilia. The feedback in the sign in book is one of gratitude and marvel of the display whilst visiting Harry's Haunt. We require more volunteers to assist with the museum. If you can assist, please contact me.

The Women's Auxiliary have continued to support the veterans with their fund raising in their Cent Auctions this year, running around purchasing raffle prizes, assorting and wrapping and then lugging them from Sub Branch to Cent Auction events, not an easy task. Joanne H thank you for all the running around and organisation that you do with the assistance of Janice H. A lot of time and effort and commitment has not gone unnoticed and very much appreciated by all.

The Board members of the Sub branch, I truly am grateful for your commitment, expertise and guidance. Each Board meeting is held with respect, consideration for the members and for the continuance of the Sub Branch. It has not been an easy couple years and times of frustrations, but we are seeing the light at the end of the tunnel. I hope next year more members would like to put in nominations for being on the Board, we have a great dedicated team who also look forward to more joining to continue the Governance that is required.

Members, thank you for your support, emails, feedback over the years I have been here and hope for many more years to come.

On many occasions on Commemorative Days or functions, your gratitude for my work and efforts are appreciated thank you. But I wish to thank you, what I do for you is not a job but a privilege and to give a little back is nothing compared to what you have done for us. I enjoy every day I come to work at the Sub Branch and am in awe of the Volunteers who dedicate their time and effort each day to ensure the Sub Branch can continue opening the doors each day. I have learnt a great deal working for the Sub Branch members, I have met so many amazing people I call friends and mentors.

I wish you all a wonderful Christmas with family and friends.

Thank you one and all.

Sincerely,

Joanne Crocker

*May your Christmas sparkle with moments of love, laughter and goodwill.
And may the year ahead be full of joy and prosperity.*
